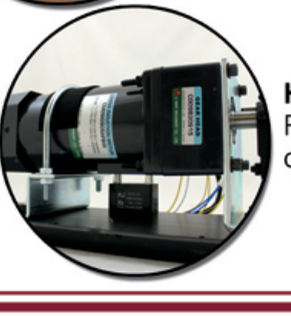
CoilMac-EPI41
(STANDARD)

Available with Oval Holes
These special oval-shaped holes will improve your coil binding speed by as much as 50% (Plus version only).

Electric Full-Size Inserter
Built-in heavy-duty roller improves binding efficiency, while saving time & money.

Fully Disengageable Pins
All 54 pins can be independently pulled & disengaged, for a clean & professional punch of any paper size (Plus version only).



Heavy Duty Punch Motor
Punches up to 25 sheets of 20 lbs paper.

AKILES CoilMac-EPI [ELECTRIC COIL COMBO EQUIPMENT]

With its heavy-duty punch motor, built-in electric coil inserter and complete system of functions, the Akiles CoilMac-EPI makes coil binding fast, easy, convenient and professional. It is the ideal partner for commercial volume workloads.

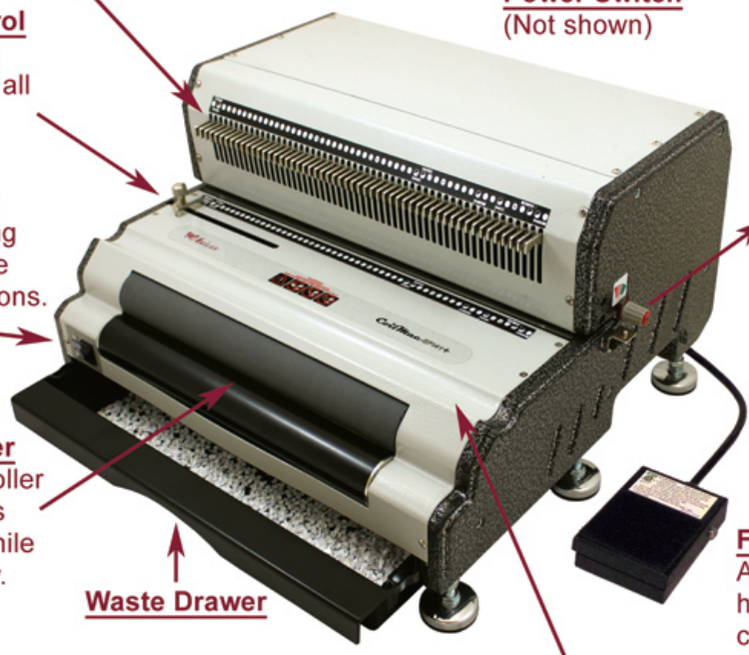
Die Disengagement Pins
For a clean and complete punch with different paper sizes.

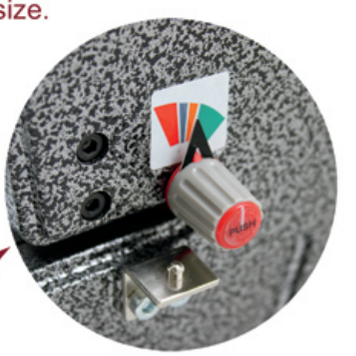
Reverse (Anti-Jam) Function
For trouble free punching. (Not shown)

Punching Margin Control
Provides the correct punch margin depth for each coil size.

Power Switch
(Not shown)

Side Margin Control
Provides an evenly centered punch for all document sizes.





Operation Mode Switch
Toggles between Punching & Inserting modes, so one pedal controls both functions.

Open Punching Throat & Continuous Punching Guide
For an easy alignment & punching of longer documents.

Electric Coil Inserter
Built-in heavy-duty roller mechanism improves binding efficiency, while saving time & money.

Waste Drawer

Foot Pedal Operation
Allows the free use of both hands, granting the operator complete control of punching & inserting.

FREE: Coil Crimpers & Coil Selector

U-Shaped Alignment Channel
Helps to conform the spine of larger diameter documents to the coil's shape, for faster and easier insertion.
